YOUTH EASTSIDE SERVICES' VISION

We are building toward an Eastside community where every young person feels safe, respected, supported, and has a sense of belonging that empowers them to grow into the person they aspire to be.

YOUTH EASTSIDE SERVICES DIVERSITY, EQUITY, INCLUSION, BELONGING

The young people and families we serve are coping with today's most difficult life challenges, generational traumas, systemic oppression, and inequities. We believe that every person deserves equitable opportunities to achieve their goals, and that the strongest communities support those who face the greatest barriers to well-being.
